[WHO ARE WE?](#)

You can be sure that your child will be in a safe and healthy environment, with sufficient educational stimulation to grow to his/her best potential.

The Goue Vissies Kiddie Care Centre (Hlapi Ya Gauta Nursery School) is a Christian based learning and caring facility for pre-school kids. Our well trained staff are friendly, caring and fun loving people who give only their best to take care of your child.

Our VISION is to create a well balanced environment where kids will be able to learn through play. We believe that every child has the right to be a child whilst he/she is still a child.
